

Children's participation

- Definition
- Why it is important for children? For organizations? And why it is challenged?
- Within CRP – where does it fit?
- What does this mean in principle

FIGURE I THE CHILD RIGHTS PROGRAMME CYCLE

Key processes

- Include children at every stage of the cycle
- Working with the most vulnerable children and countering discrimination
- Creating a rights climate through redressing power relations in favour of children and their rights

For consideration

- Consultations
- Collaboration
- Child-led
